Fontana Community Cleanup Set for Saturday

FONTANA – The Auto Club Speedway of Southern California will host a San Bernardino County Community Cleanup from 8 a.m. to noon Saturday.

During the Community Cleanup, residents from unincorporated Fontana can dispose of non-hazardous trash for free in bins located in the Speedway's parking lot, located at 9300 Cherry Ave.

San Bernardino County Code Enforcement, Solid Waste and Second District Supervisor Paul Biane organize cleanups regularly in unincorporated communities to provide residents with a free and convenient trash disposal option.

"The County's Community Cleanups are a huge benefit to residents, and I encourage everyone to take advantage of this free trash disposal service, " Biane said.

Community Cleanups were held along roadsides before the Speedway offered to let the County to utilize its parking lot for the events.

Non-hazardous trash such as tires and used furniture will be accepted at the Community Cleanup. Tires must be removed from rims and cannot exceed 11-inches by 25.5-inches. Residents bringing 10 or more tires must call (909) 387-0289 by July 17 to make arrangements.

Clean Earth Recycling of San Bernardino will accept used electronic items such as televisions, VCRs, and computer monitors for recycling, and Pacific Recycling of Fontana will collect reusable scrap metal.

Residents are urged to cover their loads to avoid littering local roadways.

Hazardous waste such as paint, solvents, weed killer, etc. will not be accepted. These items can be taken to the Rancho Cucamonga Fire Station on Saturdays between 8 a.m. and noon. The fire station is located at 12158 Baseline.

Contact Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information. Please do not contact the Speedway regarding this event.
